TEAM OF THE WEEK - 2014 BOYS CP RED

2014 CP Red Boys wrapped up their LCSL title following two impressive league victories this weekend. The team played three games over the weekend, winning all three comfortably playing a great brand of soccer. The team also won their LCSL division in the Fall. Their final league games were against a strong Mandeville team, home and away. Strong defense from Max Faust, Michael Ramelli, Asher Oubre, Remy Schwartzow, Gunner Ljungberg, and GK Briggs Smallpage kept a very athletic Mandeville team at bay. The team controlled the ball in both games and created some chances that were brilliantly dispatched by the forward players. John Toledano was a huge contributor all weekend, but it was Merrick Seale who stole the show with multiple goals as well as some lovely passes for assists. The team will finish out their season next weekend in Birmingham where they face top ranked opposition from MS, AL, and TN.

TEAM OF THE WEEK - 2013 CP RED BOYS

LA Fire 2013B CP Red, led by new coach Coach Michael White, dominated the U12 Gold 11v11 division at the Mississippi Rush Spring Classic last weekend, finishing with a perfect 3-0 record. The team showcased an explosive attack, outscoring their opponents 15-3, with goals coming from six different players. Eli Santamaria and Lucas Dos Santos led the charge with five goals each, helping the squad secure victories over Gulf Coast United, LA Krewe Rush, and MS Rush. A complete team effort earned them a well-deserved spot as our Team of the Week!

The team also wrapped up the LCSL title Monday night with a 9-0 win over DFC, their 4th in four seasons. With ECNL and ECNL-RL beckoning, we are confident that this age group will hit the ground running and really help put LFSC on the national soccer map.

PLAYERS OF THE WEEK

MERRICK SEALE 2014 CP RED BOYS WINGER

Merrick Seale came to life this weekend helping his team secure the LCSL title. Merrick is a versatile player who can play as a full back or as winger. A cerebral young man, Merrick can read the game well and pick a pass when needed. But his main attribute is his speed, and when he gets going he really flies! Merrick used his abilities this weekend to score multiple goals, beating player after player on the dribble, and most importantly had good end product. His coach said that Merrick has real potential when he focuses, and with his athletic ability he could be one of the top players in the age group. Keep working hard, Merrick!

ELI SANTAMARIA 2013 CP RED BOYS MIDFIELDER

Eli Santamaria had a fantastic offensive showing in Mississippi this past weekend. He exploded for five goals, ensuring his team won the top U12 11v11 division comfortably.

Eli is a very calm player with a wonderful demeanor and great understanding of the game. Eli can see a pass and execute it well, as well as get himself on the score sheet regularly. An attacking midfielder or winger, Eli has consistently contributed to the teams potent attack.

Eli is following in the footsteps of his older brother Erik Santamaria who is considered by many to be one of the top players in the state.

Eli is also the son of LFSC coach Jhovanny Sanatmaria; think its fair to say soccer is in his blood! Way to go, Eli!

Manager Spotlight

Meet Manager: Bradley Schneller

Teams: 2013 CP White Boys

Bradley Schneller is the team manager for Coach JD's 2013 CP White Boys. Bradley is an enthusiastic manager, stemming from his love for all things athletic. Bradley is the owner and CEO of Stacked Coaching, a company geared towards helping people become the best versions of themselves through strength training, lifestyle coaching, nutritional advice, and injury prevention.

Bradley's son, Brennan, has played for LFSC for several years and is currently a full back for 2013 CP White Boys.

Thank you for your dedication to the club and to our members, Bradley. We appreciate you.

COACH STU RECCOMENDATION
DOCUMENTARY

'Sunderland Till I die' is a Netflix documentary that follows English club Sunderland FC as they navigate the perils of professional soccer in England. The show is a great behind the scene look into the inner workings of a professional football club. The club are historically very relevant but have struggled with finances and seen themselves fight relegation year after year. A great and easy watch for anyone who likes the behind-the-scenes access of a pro club.

What's Happening at LFSC

CURRENT EVENTS AND UPCOMING EVENTS

LFSC Player Pathway YOUTUBE STREAM from Sunday 3/30/25 @6pm

If you missed the Youtube Live presentation by LFSC Directors, you can find the recording by clicking the image below. Our directors went through all the 'Pathways' we offer at LFSC to ensure that everyone who wants to play has the opportunity to do so. The majority of the presentation was geared towards the explanation of the new 'High Performance' pathway, which will encompass our ECNL, ECNL-RL and our PRE-ECNL teams.

High Performance Pathway Title Sponsor Opportunities

We the addition of our High Performance pathway, we are excited to announce new sponsorship opportunities.

As Louisiana's only ECNL club, we will be exponentially increasing our reach within the region and increasing the number of teams, and families, to the Greater New Orleans area.

All LFSC sponsorships go to our "Let Them Play" campaign, created to ensure we provide safe, affordable and professional opportunities for EVERYONE to play the beautiful game.

If you are interested in becoming a sponsor of our High Performance programming, or any part of our club's structure, please reach out to **SHAYERS@LAFIRESOCCER.COM**.

"LFSC is a registered 501c3 non-profit providing a tax advantage, as sponsorship contributions may be tax-deductible, reducing taxable income while supporting a meaningful cause. Additionally, it enhances brand visibility and reputation, as sponsors are often recognized in marketing materials, events, and social media, aligning their brand with positive community impact. Sponsorship also creates community goodwill, showing commitment to social responsibility, which can foster customer loyalty and attract socially conscious consumers. For businesses, it can also lead to networking opportunities, connecting with other sponsors, community leaders, and potential customers. Lastly, it helps fulfill corporate social responsibility (CSR) goals, demonstrating a dedication to supporting youth development, sports, education, or other community initiatives".

ECNL INJURY RISK REDUCTION

Injuries among youth soccer athletes are far more likely in matches than in training. Efforts to identify injury risk factors represent an opportunity to reduce that risk.

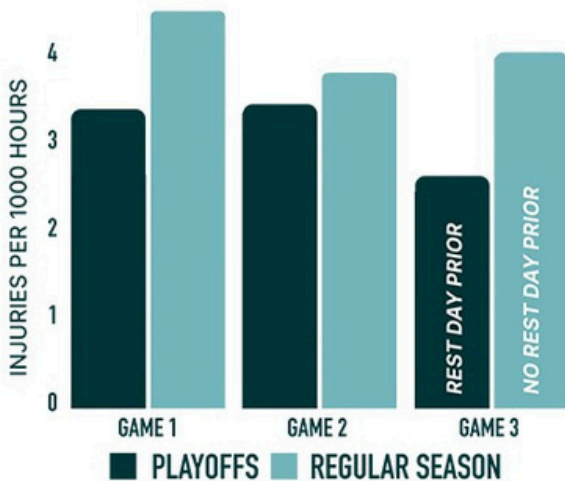

OVERALL INJURY INCIDENCE AT ECNL EVENTS WAS LOWER THAN PREVIOUSLY PUBLISHED MATCH INJURY RATES FOR YOUTH SOCCER.

To better understand injury incidence and risk factors, the ECNL collected data within its national events, which was able to evaluate the relationships between injuries and age, gender, day of event, time of year and rest days.

INJURIES WERE RECORDED FROM **24** EVENTS REPRESENTING OVER **200,000** PLAYER-HOURS

THE CHANGE IN INJURY INCIDENCE FROM GAME 1 TO GAME 3 WAS UNCHANGED IN THE POST-SEASON WITH A REST DAY BETWEEN GAMES.

INJURY INCIDENCE DID NOT INCREASE FROM GAME 1 TO GAME 3 OF EVENTS WHEN GAMES WERE PLAYED ON CONSECUTIVE DAYS WITH UNLIMITED SUBSTITUTION.

ECNL/RL BOYS PLACEMENT

FAQS

Why have prices increased?

Have had a price freeze for 4 seasons to keep prices affordable for all.

Cost of business has increased dramatically:

- Labor costs
- Rental fees
- Insurance costs
- Operational costs
- Capital improvements to facilities
- New league costs

FAQS

What falls under 'High Performance'?

PRE-ECNL (Boys and Girls U11 and U12)

ECNL RL (Boys and Girls)

ECNL (Boys)

Will train minimum 3x/week

FAQS

How many players will make rosters and will there be Part Time options?

PRE-ECNL (Boys and Girls U11 and U12) 9v9 and 11v11 - Maximum 16

ECNL RL (Boys and Girls) 11v11- Maximum 18*

ECNL(Boys) 11v11 - Maximum 18*

There will be training opportunities for some 'training' players.

The fee will be \$1200. This fee covers additional training opportunities but no guarantee of games.

FAQS

What will the uniform be for the High Performance (HP) Pathway players? The HP players

(Pre ECNL, ECNL-RL, & ECNL) will continue to wear their red and white game uniforms. An ECNL patch will be added to the RL and NL jerseys.

All HP players will have some additional uniform (mandatory) items:

Navy Blue Third Jersey - for games and to be used for training

Custom Navy ECNL Hoodie

Navy Travel Shorts

OPTIONAL - custom stadium jacket

This will discussed in more length to those that make the High Performance rosters.

FAQS

How much travel can we expect?

Training will be held in New Orleans 3x/week.

Players from areas more than 1hr from NOLA will be expected to make 2 sessions per week minimum.

Weekend travel will be determined by the ECNL Directors. Blue chip tournaments and showcases will be required. Each league will have different travel but we will make an attempt to travel as a club to appropriate events etc to reduce the burden on families.

FAQS

Why is there no ECNL for girls?

There was no option for the girls to jump straight into ECNL given the geographical makeup of current ECNL conferences.

We are hoping to make the jump into ECNL in the near future.

FAQS

Will there be financial aid opportunities?

We will have limited financial aid opportunities for the high performance players while we search for title sponsors for the new teams etc.

If you would like to be a sponsor, or know of a company that would be looking to partner with LFSC (and specifically the High Performance Pathway) please reach out to Stuart Hayers
We will have payment plan options and can work with families to customize payment structures

All Financial Aid applications must be submitted through FACTS

Teams are encouraged to fundraise. LFSC must approve all fundraising efforts. Please contact Stu Hayers for more information.

FAQS

Will Players be able to Play up?

This will be considered on a case-by-case basis.

FAQS

Will the High Performance teams have 'Team Managers'?

All communication, scheduling and decision making will be done so via the club directors

For Pre ECNL and ECNL RL the teams will still compete in LCSL and will utilise parent liaisons to assist with that element of their schedule, handling directly with LFSC Directors and relevant coach.

In an attempt to increase professionalism and streamline all logistics parent involvement will be minimal.

FAQS

Can you play for a club team and/or another club and still play for ECNL / ECNL-RL?

Essentially, No!

The ECNL programs are not a collaboration with any other club; participants will be LFSC registered players and will compete as LFSC teams.

We will have training player opportunities on a case by case basis.

FAQS

Where will home games be played and who will be the coaches?

Home games will be played predominantly at Lafreniere Park.

Training will be at any of the LFSC facilities depending on schedules etc.

Coaches will be assigned their teams during the team formation period. Once confirmed the coaches will be announced.

FAQS

How long are the seasons?

PRE-ECNL - August - November / January - April

ECNL RL - August - November / January - May (postseason possibilities)

ECNL - August - November / January - May (postseason possibilities)

LFSC Competitive teams - Will vary based on age groups and competitive levels but will remain in line with previous years and LSA guidelines.

FAQS

Is the ECNL / ECNL-RL programs a collaboration with other clubs?

All High Performance Teams and Programs will be under the LFSC banner, exclusively.

This endeavor is not a collaboration with other clubs.

This is unique from other 'higher level' offerings in the past (TDP, ODP) where players from different clubs were pooled together.

LFSC welcome the addition of any player, from any club or area of the region, to tryout and join LFSC if offered a roster spot.

FAQS

Is my son/daughter eligible to compete in High School Athletics?

Yes.

ECNL allows players to compete in high school activities during the winter break.

We will make every effort to respect the high school schedules but there may be a small amount of overlap with training etc.

Some ECNL and ECNL-RL showcases will take place over the winter break, during high school, and those events will be considered requirements for the players.

FAQS

What is an ECNL showcase vs a tournament and when will they be?

ECNL showcases are reserved for member clubs and therefore attract the highest level of competition, are played at the best facilities, and attract the largest number of college recruiters, coaches and scouts.

Tournaments are open to any teams from any clubs. Blue Chip tournaments are those that historically attract the highest level of talent.

ECNL teams are required to do a minimum of 2 showcases. ECNL-RL will participate in a minimum of 1 showcase.

PRE-ECNL teams have no restrictions on showcases but will be pushed into the highest level of competition possible.

FAQS

Do we need to tryout for both High Performance Teams and Competitive Teams?

If you tryout for the HP teams and do not get offered a roster spot you can attend the competitive tryout at no additional cost.

FAQS

Are there play time rules?

All High Performance Teams are not beholden to specific play time rules.

All LFSC competitive teams will adhere to the LFSC play time policy found in the handbook.

FAQS

What happens next with High Performance teams?

After tryouts we will send invites and form teams.

Once teams are formed and coaches are assigned we will hold another informative zoom/google/youtube meeting to discuss the program in more depth with those that will be directly impacted.

Any further questions or concerns can be brought to the attention of the LFSC Directors.

LOUISIANA FIRE SOCCER CLUB MISSION STATEMENT

Our goal is to educate and develop our youth through the sport of soccer. We believe that soccer provides the best education in all of sports through teamwork, confidence, discipline, character, adversity, and on-field problem solving.
