### LAST WEEK AT THE FIRE

### News & Information

The gusty weather of this weekend certainly didn't rain on our parade as we concluded the Big Easy Invitational. Several of our teams were able to showcase their talents, despite strong winds and less than ideal conditions. Sunday was a beautiful day with several of our teams taking home silverware. Thanks to all players, coaches, and families for your support.

Big news can be found in this newsletter with the release of our summer camp dates. Coaches Keir and Stu have worked hard to ensure we have summer programming suitable for all players, regardless of level, age, or gender. Sign up links can be found on Playmetrics and our website.

Tryout dates have been confirmed and released. See following pages for all those dates. Remember you MUST register for tryouts, even if you cannot attend. If you cannot attend for whatever reason, please let the office know and we will find an alternative date to have your child evaluated.

## TEAMS OF THE WEEK 2015/16 BOYS - FOURNET

### Big Easy Invitational

The 2015 LA Fire Fournet team battled their way to a championship victory at the Big Easy Tournament! The boys started strong with a dominant 6-1 win in their opening match, followed by another impressive 5-1 victory in game two. The championship match was a hard-fought battle, with Matthew Rodriguez putting the team ahead late with a stunning goal just five minutes from the final whistle. However, PSC found an equalizer in the final minute, sending the game to penalty kicks. Under pressure, all five shooters buried their shots to secure the title. The boys erupted in celebration, capping off an unforgettable tournament run!

## 2015 BOYS COMPETITIVE DEVELOPMENT - BARTLETT

### BIG EASY INVITATIONAL

Coach Hugh and the 2015 boys played up a division and had a great weekend. The team allowed just one goal over four matches, thanks to the back line of Lalam Gupta, Clayton Keen, Sander Keen, Jackson Rickett, Omar Nagy, Wheeler Graf, keeper Jace Barbara, and the rest of the squad, they made it through the weekend only conceding one goal. There was no shortage of firepower either, with some great attacking play on display, as the boys shared 17 goals around the squad. They outscored opponents 17-1, beating a talented CP Navy 2014 team 1-0 in a tough final.

---

## 2012 GOLD GIRLS

### BIG EASY INVITATIONAL

2012 Gold Girls opened up their Big Easy Tournament with a dominating 3-0 LCSL win and later followed that up with another one-sided 5-0 victory, advancing them directly into the final on points. In an inter-club matchup against a 2013 Red Girls' team that were playing up and had two games prior that morning, 2012 Gold Girls' fresh legs seemed to make all the difference in their most competitive match of the weekend, earning them their first tournament win with LAFIRE.

Great work Coach David and brava to the girls on a hard-fought title game. It's never easy playing against your friends, but both teams put on a great display of soccer and sportsmanship. Coach David was left torn as he coaches both teams, 2012 Gold and 2013 Red, but was immensely proud of both squads.

# PLAYERS OF THE WEEK

## BRIGGS SMALLPAGE 2014 BOYS CP RED GOALKEEPER

Briggs Smallpage had himself one heck of a weekend, conceding one goal in four games, as the 2014 CP Red Boys romped to a tournament victory. The team had to play two high stakes league games during their tournament bracket play. Briggs, who is quite a character per his coach, made some incredible saves against LA Krewe as well as LP Red to see the team top the bracket, and the league.

Briggs is not only a very athletic keeper who makes great saves, but he has also improved exponentially with his feet and acts as an extra outfield player when in possession.

Just like his brother, Field, Briggs has a bright future ahead of him as a goalie in soccer...just so long as we can keep him off the baseball field :)

---

## CLAYTON & SANDER KEEN 2015 CD BOYS - BARTLETT ANYWHERE & EVERYWHERE

Clayton & Sander Keen are two of the fiercest competitors the club has ever seen. Following in the footsteps of their immensely talented brother, Rhodes (who has been trialing with several MLS Academies and currently plays up on 2012 TDP), the Keen twins are a formidable force. Both can beat you on the dribble, put in a tackle, score a goal, and make you smile! Coach Hugh describes the twins as the difference makers on his squad. They never quit, never shy away from competition, and always add value to the team. Good luck telling them apart, and good luck if you have to face them on the field! Congrats on a great tournament boys, keep up the good work.

---

## ANN COLIN BEEVERS 2012 GIRLS GOLD

In her first season with LAFIRE, Ann Colin Beevers (A.C.) has proven herself as an extremely versatile player who has settled into her impactful role as a box-to-box midfielder with 2012 Gold Girls. She is consistently found near the ball regardless of its location on the pitch, and can excite teammates & spectators alike whether it be a crunching tackle or a spectacular goal.

A.C. can do it all – pass, tackle, shoot, and has the endurance to play full speed for 70 minutes, on a regular basis. Her abilities were on display this past weekend at the Big Easy tournament, where she was the centerpiece, connecting her team's offense & defense en route to earning a 1st place bye into the final, and an eventual tournament win.

# Manager Spotlight

## Meet Manager: Daniel Simpson

### Teams: 2013 CP Red Boys

Dan Simpson is one of our longest serving managers, not to mention the hardest working. Dan acts as one of our team manager trainers. His wealth of knowledge and passion for the sport are unrivaled.

Dan is incredibly generous with his time and supportive of the clubs efforts.

Dan has two boys who play, Nate and Max (and a daughter who doesn't, Jules). Nate is currently with 2010 TDP, whilst Max is standout contributor on the top ranked 2013 CP Red team.

Thank you for all your efforts and time, Dan!

## CURRENT EVENTS AND UPCOMING EVENTS

### **Tryout process and how teams are formed for the following season:**

As you know, each year we hold tryouts to evaluate the players and ensure that they're on teams that'll match their skill level, level of commitment, and ensure maximum opportunities to aid their development. Tryouts are important, and allow us to see the players amongst their peers, but this is not the only time we are evaluating. Throughout the season, our coaches are constantly collecting data regarding the development of each player. As a club, we ask our coaches to give formal feedback 2x per year, and we create end-of-season depth charts to assist with the tryout process. Ensuring each player is on a suitable team is our number one priority. Remember you **MUST** register and plan to attend a minimum of **ONE** tryout date. Any issues contact the LFSC office.

### **Club-wide membership Zoom call:**

As we usher in a new era for Louisiana Fire SC and our player development pathways, we're excited to bring you all of the information on the future programming structure, registrations, and answers to FAQs that will help our parents understand our path forward and the benefits it will bring to their players. Louisiana Fire SC will host a club-wide Zoom call to discuss the differences of ECNL, ECRL (High Performance) and Signature pathways (if you're curious to know what 'High Performance' and 'Signature' mean, we are excited to fill you all in soon). Once a date is finalized, a link will be sent via Playmetrics to all club members. Be on the lookout for the email that's coming soon. We hope to see you there!
